

Certification and Safety Approvals

FCC Notice To Users

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Users are not permitted to make changes or modify the device in any way. Changes or modifications not expressly approved by Looxcie, Inc. will void the user's authority to operate the equipment.

Industry Canada

Operation is subject to the following two conditions: (1) This device may not cause interference and (2) This device must accept any interference, including interference that may cause undesired operation of the device. The term "IC:" before the certification/registration number only signifies that registration was performed based on a Declaration of Conformity indicating that Industry Canada technical specifications were met. It does not imply that Industry Canada approved the equipment.

CE

This product is CE marked according to the provisions of the R&TTE Directive (99/5/EC). Hereby, GN A/S, declares that this product is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC.

Limited Warranty

Hardware Warranty Coverage

Looxcie, Inc., warrants this product to be free of defects in materials and workmanship (subject to the terms set forth below) for a period of one (1) year from the date of purchase ("Warranty Period"). During the Warranty Period, Looxcie will repair or replace (at Looxcie's discretion) this product or any defective parts ("Warranty Service"). Replacement product may be new or refurbished/recertified. If repair or replacement is not commercially practical or cannot be timely made, Looxcie may choose to refund to you the purchase price paid for the affected product.

If Looxcie provides service under warranty, the terms of the warranty and applicable provisions of law will cover defects in materials and workmanship that arise during the remaining warranty or 90 days after service, whichever provides longer coverage for you. If service is provided outside of warranty, Looxcie warrants that the replacement will be free from defects in materials and workmanship for 90 days from the replacement ship date.

This warranty is only valid for the original purchaser with the original purchase receipt and will automatically terminate prior to expiration if this product is sold or otherwise transferred to another party. The warranty provided by Looxcie in this statement applies only to products purchased for use, and not for resale. It does not apply to open box purchases, which are sold "as is" and without any warranty. Specifically exempt from warranty are limited-life consumable components subject to normal wear and tear, such as microphone windscreens, ear cushions, modular plugs, ear tips, decorative finishes, batteries, and other accessories.

This Warranty does not cover cosmetic damage or damage due to misuse, abuse, negligence, Acts of Nature, accident, disassembling or modification of, or to any part of, the product. This Warranty does not cover damage due to improper operation, maintenance or installation, or attempted repair by anyone other than Looxcie or a Looxcie dealer which is authorized to do Looxcie warranty work. Any unauthorized repairs will void this warranty.

This warranty gives you specific legal rights. You may have other rights which vary from location to location. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or implied warranties, so the above exclusions may not apply to you. This warranty does not affect your legal (statutory) rights under your applicable national or local laws.
